An Announcement

Never before in the long history of the Shorthorn breed in the northwest has a more valuable lot of breeding cattle been offered at public auction than are catalogued in the following pages. That statement is made advisedly and after careful consideration of all the factors that determine the value of the cattle that will be sold on this occasion.

Due to the serious and continued illness of Mr. Lee, it has been found necessary to disperse completely the Leewood herd.

This announcement is made with the greatest regret; but also with the hope and confidence that these superb cattle, in the hands of leading Shorthorn cattlemen throughout the Nation, will continue their contribution toward the improvement of the breed.

MRS. FRED LEE

This is to be a **COMPLETE DISPERSAL** of the herd, including the two well-known and great breeding sires, Weston Trademark No. 2240705 and Killearn Clipper Max No. 2381408 —282238—.

Fred Lee's experience with Shorthorns covers a span of years reaching well beyond a third of a century. During that period he has exercised an influence upon the breed that has been a potent factor in its progress in the northwest. Leewood Shorthorns long have been playing leading roles in prominent herds in many states and in numerous instances they have been the basis for the success of men who have attained wide distinction in the business of breeding pure bred Shorthorns. The Leewood herd today is at its peak in quality and numbers and this sale will present an opportunity for buyers to reap the benefit of years of constructive breeding effort. The sale will be rich in individuals whose type and ancestry and whose records of performance would have insured their permanent possession in the Leewood herd under other circumstances.

No man has contributed more to the improvement of the beef cattle stock in the northwest states than Fred Lee. Possessed of an untiring energy and a faith in Shorthorn cattle that seemed to have no limit, he went about his affairs doing things that few younger men dared attempt. He welcomed each day for the new opportunities it brought him and approached each new undertaking with confidence and in good cheer. Those were the qualities that made him so useful to the breed and to his fellow breeders who will rejoice in learning that the name Leewood will continue to be associated with good Shorthorn cattle. A small herd will be retained on the farm where it will be in capable hands and the owner's friends will hope that he may be permitted to spend his remaining years happily associated with good Shorthorns, a reward he so richly deserves.

This sale is no ordinary occasion. It is the event of the year in Shorthorn circles and it is worth making an extra special effort to attend.

John F. White, Sale Manager, Lake Norden, S. Dak.

General Information

The sale will be held in the pavilion adjoining Britton, South Dakota, starting at ten o'clock in the forenoon.

TERMS—Cash, unless other arrangements are made in advance with the clerk. Settlements are to be made with the clerk immediately following the close of the sale. All cattle will be at buyer's risk as soon as bid off, but the seller will attend to loading on cars or trucks in compliance with instructions from buyers.

PEDIGREE CERTIFICATES—A certificate of registration and a transfer will be furnished with each lot and an application for registry will be furnished for each calf at foot, or for each calf sold in dam.

GUARANTEE—All cattle in the herd have been tested for T.B. They have also been tested for Bang's to comply with the 30-day requirement before sale date. Health Certificates will be furnished with each lot to enable it to be shipped into any State. Since there will be no herd remaining from which replacements could be made, no guarantee of future performance is given or implied. It is not customary to give such guarantee in the case of complete dispersal sales. However, all particulars pertaining to each lot will be given on sale day.

N.B.: The above statement of guarantee voids any guarantee otherwise stated in this catalog.

The seller will not be responsible for any accident that may occur, but will make every effort for the safety and comfort of his guests.

MAIL BIDS—Those wanting to buy at this sale, but who cannot be present may send buying orders to Clem Larson of the American Shorthorn Breeders' Association, Merve Aegerter of the Shorthorn World, or John F. White, Secretary of the South Dakota Shorthorn Association, addressing their buying orders to Britton, South Dakota, in care of Fred Lee.

BREEDING MATRONS IN LEEWOOD HERD

(Photographed Aug. 21, 1950)

Brood cows like these have been responsible for much of Fred Lee's success as a Shorthorn breeder, and it will be females of this sort that will be exposed at auction at this drastic reduction sale. It is entirely probable that Friday, September 29, 1950, will mark the turning point in the Shorthorn affairs of men who take advantage of this unusual opportunity.

Violet Miss was bred December 20, 1949 to Killearn Clipper Max and should calve soon after the sale. One heifer by Killearn Clipper Max will be kept in the Leewood herd. A son by Leewood Sensation by Weston Trademark was grand champion bull at the 1948 Regional sale at Jamestown, North Dakota, and sold for \$950.00 to Henry Olson & Sons, Valley City, North Dakota. Her sire, Oakdale's Sensation, has been used in the J. O. Benson herd for a number of years with good success.

Here is especially good foundation material. Golden Chain 22d has been in the pasture with Killearn Clipper Max since July 1, 1950.

A TRIO OF LEEWOOD FEMALES

These three Leewood females, the cow a daughter of Weston Trademark, and the heifers by Killearn Clipper Max, demonstrate the prepotency of the sires in service in the Leewood Herd. The sale offering includes 15 daughters of Weston Trademark, 15 cows selling with his calves at foot, and 25 cows and heifers carrying calves by Killearn Clipper Max.

Leewood Augusta 4th—Here is a heifer that is a line bred Calrossie Mercury and out of a dam by Cruggleton Postboy and she has what it takes. Mr. Lee bought the granddam Meyrose Augusta, at the 1945 Northwest Chicago sale at \$875.00 and she has proven to be a top breeding cow. We are keeping another daughter of Meyrose Augusta 2d in the herd. Will be bred by sale day.

Weston Trademark—Truly a great Sire. The only way this bull could be bought is in a dispersion sale. For the past two years at almost every sale we've attended with cattle we have had either a grandchampion or top selling individual. The most of these were sired by Weston Trademark. Anyone interested in raising good headed, low down, blocky Shorthorns should try to buy this bull. His calves don't need publicity behind them to go out and do things, they do it on their own good merits. Proclaimed by many who know, that he is one of the outstanding sires in America.

Killearn Clipper Max—A half brother to all the other sons of Killearn Max 5th who have been doing things in the U. S. and Canada. One son of Killearn Max 5th topped the 1950 Gallinger Sale at \$10,000; another was Grandchampion bull at the American Royal, the Eastern National, and the greatest of all American shows the International Livestock Exposition. The sons of Killearn Max 5th have been selling higher in Mr. Gallinger's sale than those sired by any other bull he owns. We think, and many other prominent Shorthorn breeders think that here is one of the best Max bulls, and we know you'll agree when you see his calves. They're thick, they're mellow, they're good headed. Buy this grand proven Sire.

Leewood Victoria—Pasture bred to Killearn Clipper Max. This fine daughter of Weston Trademark was Reserve Champion Female at the South Dakota State Sale in May, 1950. She sold in that sale, but had not cleared up from her bangs vaccination, so we gave the buyer back his check and brought the heifer home. An extremely blocky, low down heifer, she was beaten only by a granddaughter of Weston Trademark in that show.
